- 6 The animals went in four by four,  
There's one more river to cross;  
Old Noah got mad and called for more,  
There's one more river to cross.

CHORUS.

- 7 The animals went in five by five,  
There's one more river to cross;  
Says old Noah we'll have a lively hive,  
There's one more river to cross.

CHORUS.

- 8 The animals went in six by six,  
There's one more river to cross;  
And the Hyena laughed at the Monkey's tricks,  
There's one more river to cross.

CHORUS.

- 9 The animals went in seven by seven,  
There's one more river to cross;  
Says the Ant to the Elephant who are you shoving,  
There's one more river to cross.

CHORUS.

- 10 A very few months after that,  
There's one more river to cross;  
The old Ark bumped up on Ararat,  
There's one more river to cross.

CHORUS.

- 11 Now please just listen to my text,  
There's one more river to cross;  
To be continued in my next,  
There's one more river to cross.
